To: Head of Corporate & Customer Services

We, the undersigned, wish to call in the following decision of the Executive Board:

Meeting date: 12<sup>th</sup> January 2016

Agenda Item / Decision Note Reference: 4

Report Title: The Former Graves High School Site

Decision: to take the necessary steps to demolish the building and clear the site!

Reason for Call In:

For the Executive Board to reconsider the decision relating to the demolition of the building because

- i) the decision was taken without allowing sufficient time for an exchange of information and views with the public regarding the future of the former Girls' Grammar School building
- ii) a call-in would allow time for a public event which would enable participation by the public to understand the issues and give their views.

**Supporting Information / Evidence**

Note: This is evidence supporting your reasons for Call In which is not already included in the evidence presented when the decision was taken. This must be submitted in full with the Notice of Call in and will be published with the notice of the meeting subject to the determination of the HoCCS that it meets the relevant requirements.

Please list and identify the source(s) of the evidence you wish to submit below and attach the corresponding documentation to this Notice.

The need for a call in is evidenced by  
i) the size of the public outcry since the decision was taken.

ii) public concern regarding the hurried decision and insufficient time for public awareness and participation.
